Anniversary Congress

«20 years of non-invasive endoscopy»

Dear colleagues!

This year marks the 20th anniversary of one of the unique endoscopic non-invasive technologies – capsule endoscopy!

In honor of the Anniversary, together with our colleagues, world experts in the field of capsule endoscopy, we are holding an international Congress, where you can learn all about the development and achievements of capsule endoscopy, new products and expanding the scope of application of capsule endoscopes.

Together with REndO and WEO, we look forward to welcoming you to the virtual space of our shared celebration of non-invasive Endoscopy!

See you on the air!

With respect,
Head of the Anniversary Congress,

Ekaterina Ivanova
